THE SERVICEMAN'S CORNER:

Hello, gang. Got lots of bits & pieces of news for you this week. The Byline got it's first Christmas card already--and it's from one of "our boys" in service! It's from PFC Jimmy Rico, 'way over there in Korea. Jim is one of our most faithful correspondents, too.

Just got a phone call a few moments ago--from Bill May. He says he's out of Service now (since Nov. 24th)--and back home with his wife and family, now living in South San Francisco.

One of our army boys is now a Proud Papa---PFC Eddie Roland has been notified via Red Cross that a son was born to him and Mrs. Roland at the Letterman General Hospital on the morning of December 3rd. Eddie is the son of Mr. and Mrs. Dan Roland of 800 Sierra Point Road, and Mrs. Roland is the former Kathleen Wagner of San Francisco. The new little Mr. Roland weighed in at 9 lbs. 3 ounces, and has been named Robert Dan Roland. PFC Roland is still over in Korea.

CPL Bob Tann, USMC, has reported back to Oak Knoll hospital for a check-up on the shrapnel injuries he received in Korea. Bob was home for thirty days, and was seen everywhere in "civvies"--including a "hush-hush" sweater, which left nothing to the imagination so far as Hawaiin girls are concerned! Tsk!--Bob does not know yet where he must report for futuro service after he is finally released from Oak Knoll.

Seen in town on leave this past week or so--PVT David Wilson, son of Mrs. Marjorie Riddell of 55 Inyo Street. The army chow at Fort Ord must agree with David ---you should see the shoulders on him! (and I understand that the army uniforms DON'T have shoulders "built in"!)

CPL Ted Van Kirk, USMC, is now back in Service after his thirty day leave here at home. His brother Merle, local Postoffice employee, was kind enough to bring Ted's new mailing address over to us, so that he can get the Byline regularly from now on. Anyone interested in writing Ted can reach him at: CPL THEODORE VAN KIRK #1056867--USMC--MAG. 25--V.M.R. 152--c/o FLEET POSTOFFICE, SAN FRANCISCO, CAL.

Mr. and Mrs. Frank Kahorl, of the Brisbane Auto Court, is planning to spend Christmas with their son, CPL. Johnny Coryell, in San Diego where he is stationed with the Marine Corps. Johnny's fiancee --Miss Joan Tucker, here visiting her aunt Mrs. Chuck May, was injured last week in an accident which happened at her place of employment, the Foster Cafeteria at 3rd and Mission Sts. She was returned home from the hospital last Saturday.

It seemed so good to see the two Veitch brothers together again, at the Fountain of Youth last Saturday. Rick and Willie hadn't been together for some time, I imagine. Will is with the airforce at Hamilton Field, while Rick has been stationed at Klamath, California. He was here on a fifteen day leave, waiting further orders, and has now left for some air force base back east. As soon as we learn where, we will let you fellows know via this column.

Well, gang--guess that's all, except for a letter to friend husband from Chuck MacCary, as follows:

BAINBRIDGE, MARYLAND

Hello, Reece:

I received your letter today, and was glad to hear from you. How are you and Mrs. Reece?--fine, I hope.

I am sending you a better picture of myself for your office window. It will be a little larger than the snapshot I sent before.

I hope you had a good Thanksgiving, and this is just a few lines of thanks for sending me the papers.

Your friend,
CHARLES MacCARY.

* * * * * * * * * * * * * * * * *

I guess that's about all the dirt I can dish out for this time, so will close this column with a MERRY CHRISTMAS TO YOU ALL, in case this paper doesn't reach you until Christmas time. (About the best Christmas present Mr. Reece and myself could get would be to see the whole bunch of you, sitting in the same old place, at the same old counter, eating the same old cheeseburgers, and sipping the same old cokes! Oh yes, and with the same old (?) girl friends looking at you with the same old "I think you're wonderful" look!)

'Bye now--don't forget to write, and send in those pictures.

YOUR EDITOR, Gladys Reece.

AMERICAN LEGION AUXILIARY TO RAFFLE DOLL:

The American Legion Auxiliary Unit # 473 of Brisbane is now selling tickets on a thirty-eight inch rag doll which will gladden some little girl's Christmas. The tickets are selling at 25¢ each, or five for a dollar. The doll will be given away at the annual Christmas party given by the American Legion and Auxiliary, on Saturday night, December 15th, at the Legion Hall. You may see the doll on display in the window of Wright's Cleaners, across the street from the theater.

VETS URGED TO GET EXAM:

Since the ailments and disabilities a veteran may incur in service don't always turn up at the time discharge examination, the record of a medical institution or physician can be invaluable in later years in establishing claims for medical care or disability benefits.

Recently discharged veterans and those re-assigned to reserve status should obtain an overall physical examination and full X-Rays, advised Dr. Floyd D Granger, vet's service officer of San Mateo County.

IN RE-ARDS STORAGE FOR NEWSPAPERS:

It has come to our attention that many people have been anxiously awaiting an announcement as to where they could take their stacks of old newspapers, so that the local Boy Scout organization could have the money they would bring at the time of their annual Paper Drives, sponsored by the local Lion's Club.

We now have been informed that all cartoned or tied bundles of papers may be taken to the Lawrence Mills residence at 592 San Bruno Avenue, Brisbane, where they will be stacked in his basement until time of the next Drive.

FAMOUS SKATING PAIR HERE ON SATURDAY:

Pat and Colin Rose, known professionally as "The Skating Roses" now appearing with the Sonja Henie troupe at the cow palace, was seen at the Fountain of Youth last Saturday afternoon, in the company of our own Capt. Blair. Mr. Rose hails originally from Havana, Cuba, but he and his wife now call Los Angeles "home". They have 3 small children waiting for them in Los Angeles.

LOCAL MAN INJURED:

Richard Wright, 21, of 236 Klamath Avenue, met minor injury last week when an automobile in which he was a passenger struck a street lamp post in San Bruno.

The post was sheared off at the base. Floyd Reinhardt, 30, of 542 Acacia Avenue San Bruno, driver of the car, was given a police citation charging him with driving without due caution. Wright received treatment at South San Francisco Hospital.

BONEYARD HILL SPEED CUT TO 45 MPH:

Recently the State announced that a new section of Bayshore Highway will be made a 45 mile an hour zone. Capt. E.F. Cassell of the Redwood City office of the California Highway Patrol said he was notified that the speed limit on the northern slope of Boneyard Hill will be cut from 55 miles an hour to 45.

The decision to reduce the speed was made by the State Dept. of Public Works.

LOCAL MAN NOMINATED FOR S.M.CO. C OF C;

The setting up of highway and traffic committees in all of the county chamber's of commerce to study the acute peninsula transportation problem was recommended by the County Council of the Chamber's of Commerce at it's regular meeting last week in San Mateo.

It was the feeling of the chamber representatives at this session that transportation is the peninsula's number one problem.

Hugh A. Wayne, council president, said that with the continued growth of the county, transportation will become an even more acute problem in the years to come unless steps are taken now by responsible authorities to push the work which has already been done toward improving the highways here.

Wayne felt that commuter organizations on the peninsula should be particularly interested in highway and rapid transit improvement here because they are the primary users of these public facilities. He felt that if their weight could be added to the present activities and efforts of the county chambers and the Tri-County Bayshore Committee that the critically needed Bayshore Freeway would be completed sooner.

A.E.Kennedy of the Brisbane Chamber of Commerce, regarding the Bayshore inadequacies, said that the bottleneck now in existence between Geneva Avenue and Third Street in San Francisco at peak commuter traffic hours could be greatly improved by better traffic enforcement on the part of San Francisco police in that area.

Kennedy said that during the early morning and late afternoon, vehicles are backed up three miles in the Brisbane-Third Street area.

He suggested that in order to alleviate some of the problem, no parking should be allowed on that portion of the Bayshore during peak traffic hours. He said that this step would open up another lane of traffic for commuter use. It was his opinion that pedestrians in the Schlage Lock area of the Bayshore should be encouraged to use the underpass which was constructed there many years ago for their safety.

L.D.McLeod, of the South San Francisco Chamber, concurring with Kennedy's suggestions said that trucks using the Bayshore grade south of the Third Street intersection should comply with present regulations by using the outside lane and that all truck passing should be eliminated.

In other business discussed at this meeting, the council went along with the San Mateo County Development Association in requesting that an economic survey be made of the county at the earliest possible date.

The council will meet at a dinner on Thursday, January 31st, at the Chukker in San Mateo, to discuss and elect officers for the coming year. A nominating committee was appointed by President Wayne. They are: Howard Imus, Burlingame, chairman--Noel Pennington, San Carlos; A.E. Kennedy, Brisbane; L.D.McLeod, South San Francisco; and Helen Moulton, San Bruno.

IN REGARDS BRISBANE'S TORN-UP STREETS:

Many complaints have come into the Byline office, in regards to the present condition of our streets, due to the laying of the pipes, etc. for the new water system. The Byline contacted the Board of Directors, Brisbane County Water District, through their secretary, Mrs. Virginia Woodard, and this is the report given us through her:

"IN ANSWER TO THE MANY QUERIES COMING INTO THE BRISBANE COUNTY WATER DISTRICT OFFICE AND ALSO TO THE BYLINE OFFICE IN REGARDS TO THE REPAVING OF DITCHES IN THE STREETS--THE DISTRICT REPORTS THAT THE CONSTRUCTION WORK ON THE MAIN LINES IS ABOUT OVER. THE DITCHES MUST REMAIN OPEN UNTIL THE INDIVIDUAL RESIDENCES ARE TIED INTO THE MAIN LINE. THE STREETS WILL THEN BE REPAVED, AT THE END OF THE CONSTRUCTION PERIOD.

MEANWHILE, THE CONTRACTING COMPANY MAINTAINS A CREW TO MAN THE GRAVEL TRUCKS DURING THE RAINY SPELLS AND HOLES, DRIVEWAYS, AND ETC., ARE TEMPORARILY FILLED IN UNTIL WORK CAN BE RESUMED. THE E. T. HAAS FOREMAN AND MEN ARE AT YOUR SERVICE IF YOU DESIRE HELP.

THE DISTRICT APPEALS TO THE BRISBANE PUBLIC TO BEAR WITH THEM AWHILE LONGER AS THE ELEMENTS HAVE CONTRIBUTED IN SLOWING UP THE PROGRESS OF CONSTRUCTION WORK."

----THE BOARD OF DIRECTORS,
BRISBANE COUNTY WATER DISTRICT.

BRISBANE P.T.A. HOLDS "FATHER'S NITE":

Brisbane's Fathers were well-represented at Father's Night last Thursday evening, November 29th. The meeting, held in the Brisbane school auditorium, was considered a successful one by all who attended.

The Boy Scouts of Brisbane Troop #134 led the Salute to the Flag, including John Bell, Ernie Hutchinson, George Grasso and Walter King. The Community singing was also led by the scouts, while waiting for the comical skit to be presented. The skit depicted the life of a father and mother and little boy in Brisbane. Mrs. Robert Spencer and Mr. Frank King were cast as the parents, while Mr. Clinton Stewart made a very precocious five year old, munching a huge lollipop. The skit was designed to keep the audience in stitches, and it fulfilled it's objective quite thoroughly.

The Brisbane Glee Club Quartet sang a selection of songs, some of them serious, and some of them hilariously insane. Members of the quartet include Mr. Harold Woodward, Mr. Frank King, Mr. Louis Duncan, and Mr. Roy Edwards--with excellent music provided by Mrs. Louis Duncan at the piano.

The serious side of the meeting opened with Mrs. Ira Romrielle reading the minutes of the previous meeting, and Mrs. Richard Wright reading the Treasurers report. Mr. Richard Fassett, auditor, commended the Brisbane P.T.A. for the excellent manner in which the financial records have been kept. Mrs. Robert Spencer gave a complete report on the financial end of the recently held Carnival, which put a sizable sum in the P.T.A. treasury.

Plans were discussed at this meeting for the box-social dance to be held sometime after the Holidays. It was also agreed to present a family movie night some time in the near future, concerning Conservation of Wild Life--which was the subject of a talk given by Mrs. Byron Jonson as she displayed some paintings of massive redwood trees and forests as she spoke of the many trees ruined every year through fire, neglect, or cutting for consumer's use. (cont'd above)

P.T.A. (continued from below):

"Crime Does Not Pay" should be reversed to read "Crime Shouldn't Pay", according to Mr. Don Holbush, County Probation Officer, who was honored guest and principal speaker of the meeting. To illustrate his point Mr. Holbush said that of every 100 crimes committed, 27% were apprehended and out of this figure, only 14% actually convicted. Among the people most likely to succumb to crime are alcoholics, juvenile delinquents, and in some cases, people who have physical or mental handicaps. These types are sometimes led to crime through their anti-social behavior. The Adult Probation Officers do all they can to help those unfortunate enough to tangle with the law, and he traced a typical case through--showing as he went along the help his particular department gives to the man in question. He concluded by appealing to all parents to support the teachers, churches, clubs, and all organizations in the fight against juvenile delinquency. Mainly, to show them good examples in the homes, and to teach them respect for the rights of others.

The meeting convened in a spirit of informality, with a complete assortment of cakes, cookies, and pies, with coffee, were served by Mr. and Mrs. DeWayne Bennet, Mr. Thomas Prease, Mr. Richard Wright, Mrs. Orlie Wallace, and Mr. Bert Baldwin.

submitted by HELENE HUGHES---
Brisbane P.T.A. Publicity.
